

SEED Awards 2021

Applications now open!

Winners receive a matching grant* up to €15,000 and a 12-month support package

Who can apply?

All eco-inclusive enterprises* from eligible countries:

Botswana

Indonesia

Thailand

Ghana

Malawi

Uganda

India

South Africa

Zambia

What will it take to win?

- You are an innovative market-driven enterprise providing solutions to social and environmental problems
- You have the intention and potential to become financially sustainable
- Your enterprise is in partnership between different stakeholder groups
- Your enterprise is locally founded and locally led.
- Your enterprise has potential for scale-up and replication
- Your enterprise is operational and in the early to growth stages

**Matching grant means the enterprise is required to contribute additional funding (co-financing) to the funding received from SEED.*

**Eco-inclusive enterprises refer to enterprises that contribute to sustainable development. They are market-driven entities that provide solutions to social and environmental problems.*
